### FAMILY NIGHT

---

Before you have your supper together, first watch these two video clips below. Talk about it around the table.

We have seen that we need to portray Jesus in our community groups, in fact, everywhere we go all the time.

When we look at people, we need to see their great value, each one is made in the image of God, no matter how the outside looks like. We need to have compassion on them and love them, having grace for them and pointing them to Jesus.

What was the last important thing Jesus said to the disciple before He went to heaven?

Let us listen to our friends: <https://youtu.be/idCF7S6q6xo>

We often think: "Oh, I can't do it! / I'm too shy. / I don't know how." It is actually easy. Uncle Mike Henry shows us how. Let's watch him.

Enjoy your meal together and have a great discussion around these two video clips. Lead the conversation to action:

- It there anybody/family we can reach out to?
- What will we do?

*(I want to encourage you, not to leave it there, but to truly take action, set a date, be accountable to one another. Keep on praying as a family together for the people you are reaching out to.)*
