

We're reading the Bible together in 2025!

› Download the YouVersion Bible App.

You can download Bible versions of your choice for offline reading.

We recommend the following:

- NKJV, ESV, NIV & AMPC (translations)
- TPT & NLT (paraphrases)

› Go to Plans and search for “[The Bible with Nicky and Pippa Gumbel, Classic Version, 2025](http://bible.com/r/Dqk)” (<http://bible.com/r/Dqk>)

This plan will lead us through the entire Bible in a year in a systematic way, along with insightful commentary and practical application.

- It will take **15 minutes** a day, which can be broken into morning and evening readings.
- You can choose your preferred Bible translation, including **audio** versions.
- You can track together with a friend or small group, encouraging one another and even sharing comments. [When you start the plan, choose to read it alone or **with friends**. (Invite people who are friends on the YouVersion App or send them a link when you set it up - limit of 150 people)]
- You can choose a future date to start the plan – e.g. **31 January**. [Prompt: When do you want to start this plan.]
