“For as many as are led by the Spirit of God, they are the sons of God.” Romans 8:14

The Holy Spirit is not only our constant companion, comforter, strengthener and teacher; He is our GUIDE. Jesus said that He would send another who is just like Him. He called him our Helper. When we read the word “helper”, it may give the impression of a maidservant who is just there to assist us with our daily tasks.

While there is a measure of truth in this, may He never be construed as to tag along with US, on our journey according to OUR will. No! He’s here to LEAD us along His path. What would you do if Jesus came to your home today? Would you tell Him what you have planned and take Him along with you to help you, or would you fall to your knees and worship Him, then listen to Him and follow Him?

Jesus called us to FOLLOW HIM and He’s given us His Spirit to help us do that. He said it is more advantageous for us that He went away so that we can have His Spirit to be with us forever.

Think on this

Do you consider the Holy Spirit’s presence with you? If you are born again, He lives IN you and is your constant companion.

Are you following Jesus, with the help of His Spirit, or are you following your own way and asking Him to bless it?

Prayer

Father, thank you for sending your Son to save me. Lord Jesus, thank you for sending your Spirit to guide me, teach me, strengthen me and comfort me when I need it. Cause me to be more aware of His constant presence in my life. I surrender to your Lordship; lead me by your Spirit today, **in Jesus’ name**. Amen.
