

But the hour is coming, and is now here, when the true worshipers will worship the Father in spirit and truth, for the Father is seeking such people to worship him. God is spirit, and those who worship him must worship in spirit and truth. John 4:23-24 ESV

God is seeking true worshippers whose hearts are turned to Him.

We come before God, the Almighty God, honestly, admitting our faults, repenting of our junk. He is an Awesome God, to be revered and feared. We bow ourselves before Him, in awe of who He is. It is only because of His work in us that we can come before Him. His blood has cleansed us. His blood has brought us near. He is fearful, yet we can stand before Him because of Jesus and His sacrifice on our behalf. We can come near to Him because we're His children and He loves us. He calls us to Himself. He desires our worship and fellowship, our closeness and love.

Let us draw near to Him today. Let us tell Him we love Him. Let us worship and adore our Wonderful God, our Father, our Prince of Peace. He's Jehovah Jireh, our provider; He's Jehovah Rapha, our healer; He's Jehovah Tsidkenu, our righteousness; Jehovah Rohi, our shepherd, He's the GREAT I AM! He's everything we need.

Let's worship Him in spirit and truth today.

He doesn't refuse a humble heart, a contrite heart. Come near today. Surrender your cares, forgive those who've hurt you - let it drop at His feet and bow in worship to our God. Lift your hands and your heart and worship our great God. Start with thanking Him and acknowledging who He is and let your love flow to Him. If you need help, use a psalm and repeat it to Him or a song we sing in our church gatherings, only, let your heart and mind engage.

From the innermost being will flow rivers of living water. It's the spirit within that worships. The flesh submits and the mind aligns to the truth of God's word.

Meditate on Him and worship Him today.

Song: *Let Your living water flow over my soul
Let your Holy Spirit come and take control
Of every situation that has troubled my mind
All my cares and burdens on to you I roll*

*Jesus, Jesus, Jesus
Sing to the Father
Father, Father, Father
Holy Spirit
Spirit, Spirit, Spirit*
